MARIN SUN FARMS

# WILCOX FOODS

Allow us to introduce you to the exceptional meat offerings from Wilcox Foods, featuring the renowned Marin Sun Farms and Mindful Meat products.

Marin Sun Farms is a meat company dedicated to building a sustainable food system. Committed to empowering farmers, conserving landscapes, and restoring the vitality of the foodshed, Marin Sun Farms operates the last USDA inspected slaughterhouse in the San Francisco Bay Area. Their facility is certified organic and carries the prestigious Animal Welfare Approved seal, guaranteeing the highest quality meats in California.

Mindful Meats takes pride in raising cows that live their entire lives out on certified organic pastures, never being transferred to finishing lots or feed yards. This commitment to a pasture-centric approach ensures that the animals experience long, full lives in harmony with nature. During the off-season, they are thoughtfully supplemented with farm-grown silage, alfalfa, and hay.

Join us in exploring the diverse and delicious offerings brought to you exclusively by Wilcox Foods.
